How can I help you further?
The Design District is a thriving neighborhood in Miami that continues to expand as a fashion center and is now home to luxurious brands such as Louis Vuitton, Prada, Christian Louboutin, Chanel, Givenchy, Valentino, etc. It also houses the Miami Institute Of Contemporary Arts (ICA), as well as the artistic Museum Garage.

Midtown is a thriving residential/retail community built around the synergy mimicking New York’s SOHO neighborhood, with the Design District focused on securing luxury retailers, Midtown has become a hub for big box retailers.

The Wynwood Art District is a rapidly emerging neighborhood with a multitude of vacant industrial buildings, in the last couple of decades the local arts scene has been dominated by local street artists and muralists who have repurposed old warehouse buildings into lofts, restaurants, galleries, and event spaces.
