- Ideal for live-work units, boutique hotels, or multi-family housing.
- Encourages pedestrian-friendly urbanism and transit-oriented development.
- This zoning provides a pathway for vertical expansion or complete redevelopment into a vibrant urban center.

## Investment Highlights

- Stable Cash Flow from established tenants.
- Redevelopment Upside with T5-O zoning.
- Prime Location near major developments and improving demographics.
- Strong Tenant Mix with food, retail, and service businesses.
- Future-Proof Asset in a maturing market with increasing rental demand.

## Half Moon Empanadas

is a Miami-born brand founded in 2008 that has grown into a recognizable food concept across the city and beyond, including high-profile locations such as airports and universities. Their empanadas are celebrated for combining traditional Latin flavors with modern convenience. As a women-owned business led by a nationally recognized entrepreneur, Half Moon Empanadas brings both credibility and cultural authenticity to the area. The brand draws steady customer traffic and adds to the neighborhood's food and beverage scene, making the property a destination for both locals and visitors.

## The Flower Place

is a local florist providing fresh arrangements for individuals, businesses, weddings, and events. Beyond being a retail storefront, it serves the community by supplying decorative and celebratory floral services that are central to Miami's cultural and social traditions. Its presence complements the property's mix by drawing daily retail customers and by building repeat business connections with residents and local organizations.

## Craft Miami

Craft Miami offers a contemporary, all-day dining experience with a focus on fresh, high-quality comfort food, artisan coffee, and modern ambiance. Originally from Argentina, Craft has expanded into Miami with multiple locations, becoming a community hub for breakfast, brunch, and casual dining. Its stylish and approachable concept attracts both professionals and families, helping to anchor the corridor as an emerging lifestyle and dining destination. Craft Miami enhances the property's tenant mix by serving as a gathering place and bringing repeat foot traffic to the area.

## Scooter Mania

specializes in scooters, e-bikes, and personal mobility solutions, responding to the growing demand for affordable, eco-friendly, and convenient transportation in Miami. With the city's increasing traffic and parking challenges, personal mobility is becoming more important for both locals and visitors. Scooter Mania strengthens the tenant mix by bringing diversity in use, attracting a different customer segment, and aligning with Miami's forward-looking transportation trends.

## CK 305 (Commercial Kitchen 305)

CK 305 is a commercial commissary kitchen that supports Miami's growing population of food entrepreneurs, caterers, and small culinary businesses. The facility provides fully equipped, shared kitchen space, making it easier for local chefs and start-ups to launch and scale their businesses without the overhead of building their own kitchens. By enabling dozens of smaller food brands to operate successfully, CK 305 acts as an incubator for local culinary talent and contributes to Miami's reputation as a thriving food city. Its role in supporting small business growth makes it a driver of community development and economic activity in the area.
